

HOW TO PREPARE FOR GSC-2021?

1. Create a Personal Account and choose online mode of participation

2. Choose the date and time of the Competition. You can change them **till January 11**

3. You will need a PC or Laptop with minimal requirements:

- Web browser: Chrome 72, Opera 59, Firefox 66, Edge 79
- Operating System: Windows 7, macOS 10.12 "Sierra", Linux
- Supported mobile version: Android 4.4+ Chrome, iOS 12+ Safari
- Webcam: 640x480, 15 fps
- Headset and speakers
- Internet: 256 Kbit/s

4. Check the compatibility of your equipment on <https://proctoredu.ru/check>

5. If there are any issues you have got during the check, please email us at interolymp@hse.ru

6. To take part in the GSC online, you need a smartphone with the front camera. Make sure your phone is charged and your internet connection is stable on the day of the competition

7. Get the link 24 hours before GSC and check if the test opens (the test itself will be available at the selected time)
