

# HSE GLOBAL SCHOLARSHIP COMPETITION 2021

Aspire your future with HSE University

## SELECT UP TO 5 SUBJECTS

Participants of the Competition are invited to compulsory registration. You can select no more than five subjects from the seventeen presented.

## REGISTRATION

On the Competition official web page <https://olymp.hse.ru/en/inter/> click the «Register» button, then choose «Get login and password». One participant may register only once.

## FILL IN YOUR PERSONAL INFORMATION

Fill in all registration form fields carefully. Make sure your email address and phone number are entered correctly.

## MOTIVATION LETTER

The final step of registration is a motivation letter in English. The motivation letter must be written by a participant personally in a free format. It will not be assessed and is provided only to show participant's commitment and will to take part in the Competition.

## APPLICATION

After successful application processing by the Moderator (up to 2 working days), a participant receives a **login and password** to their **Personal Account**. They are sent to the email address that the participant has entered at the registration. Personal Account is now open for editing.

## CHECK YOUR PERSONAL ACCOUNT

A participant gets a **Registration Number** in their Personal Account - it must be remembered or written out! The Registration Number is user for participation in all chosen subjects of the Competition. A participant can edit personal data and change chosen subjects of the Competition in their Personal Account. There is also a link to **restore password** on the Personal Account access webpage. In case of technical issues with the Personal Account a participant can **send a message to the Moderator**.
